

Bristol Farms Presents:

MENU MAPS

Cooking keeps us connected.

For 40 years, Bristol Farms has been widely recognized as the leading gourmet grocer in Southern California. The 14-location grocery store brings people together around cooking and the sharing of delicious food through curated offerings that encourage discovery of new flavors and brands.

Bristol Farms Newfound Market is their newest concept – showcasing, all in one place, the finest ingredients with local and global offerings and an innovative dining experience. Located in Irvine Spectrum, it includes a full-service Italian restaurant and six fast casual food venues which feature local and globally inspired signature and seasonal dishes.

Menu Maps are a field guide, an invitation, and a sign of the times.

Menu Maps are uniquely devoted to helping the hungry, history-loving Angeleno further explore the art & science of food, culture, & community while navigating towards 25 of L.A.'s most delicious destinations.

Featuring a carefully curated collection of elevated eateries and iconic L.A. establishments; each pin that has been placed on the map will lead you one step closer to unlocking seasonal menu staples and secret menu specials that only L.A. Explained can offer.
